

What does PE look like at Kingsdown?

PE, Sport and physical activity is at the heart of our school. Our aim is to develop the confidence and motor competence of each child. Our Physical Education programme enables all children to succeed and excel in a range of competitive sports and other physical activities. They develop knowledge of rules, tactics and strategies for each sport and activity, making links to enable the transfer of flexible knowledge between activities. At Kingsdown, children understand the short- and long-term benefits of participation, developing a passion for PE and sport.

Here are some of our favourite sporting moments at Kingsdown.
